ANNUAL REPORT FOR THE YEAR 2024 – 2025

Honorable Chief Guest Dr.Mallikarhunn Chattnalli, Guests Mr.Veerendra kumar Bhorale, Mr.Viveknanad and Smt.Divya Alshetty, Mr.Sharatkumar Abhiman and managing Trustee of Nirantara Foundation, Mr.Niranjan Sheelvant Sir, Trustees, of Educational institutions of Nirantara Foundation, Dignitaries on and off the Dias, Teachers, Parents, Friends, and my dear Students. It gives me immense pleasure to present to you the Annual Report of The Infinity School 2024 – 2025.

I thank our Managing Trustee Mr.Niranjan Sheelvant Sir for appointing me the Principal of The Infinity School on 1st December, 2024. I would like to thank the Management of the Trust, Parents, Teachers, Students and my colleagues for having supporting me through this year.

This has been an epic year which will go down into the history books of this Trust. The opening ceremony of the new campus was on 16th May, 2024. On this very auspicious day the statue of Goddess Saraswati was installed. It was done with lot of pomp and show and a day of celebration. This school year began on 3rd June, 2024.

The purpose of education is in making students becoming active, responsible, productive, and caring members of the trust. We The Infinity School strive to fulfill these needs of education through our vigorous academic program, co-scholastic activities, competitions, and assisting students in being engaged in experiencing joyful learning in and outside their classroom.

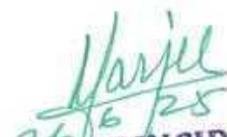

Pre-primary students are trained to develop their gross and fine motor skills. We also emphasis on social and emotional skill of the students preparing them to successfully transit to Class One. They learn through repetition, actions, listening stories, reciting rhymes, singing songs, hands on learning, and playing. They are taught to work in groups helping each other and also learn from each other. Students are also encouraged to learn through technology. As technology has become an integral part of teaching learning process. Our teachers have undergone training enabling them to use technology to access the resources available on line. This helps us maintain an error free giving of notes and worksheets for learning and practice.

We also have regular meetings among ourselves and also with the management to review what has happened and deliberate our course of action for the future. Regular meetings help us understand what's happening across the board so we can collaborate together to achieve greater heights.

It is a practice of Nirantara Foundation that we celebrate certain events that is observed nationally together and all are invited for these celebrations and the dias is occupied by the trustees and management. The Independence Day, Valmiki Jayanthi, Karanataka Rajyotsava, Ganesh Chaurthi, Kanakadas Jayanthi, and

Republic Day. Each institution is given opportunity to take charge of the programme and the events are conducted by us.

The other national celebrations are conducted at school. World Environment Day (June 5) we planted lots of plants around the school building. Both potted and on the ground. Drawing competition was held on the same day. Winners were chosen class wise. It was mandatory for all to participate. In a similar way Drawing Competition was held during Republic day, Independence Day and Dussehra Celebration.

June 21 all fathers were invited to school to celebrate fathers day. We also had observed June 21 as World Yoga Day. Yoga is a gift of India to the World. Everyone in campus learned the Asanayas taught by our Physical Education Teacher. We also practice these Asanayas every Saturday after Mass P.T.

We conducted parent's orientation 30th June to 5th July for smooth functioning of the institution. All parents are actively participated and good discussion done,

First Parent Teachers meeting are held on July 20. It helps parents of the same class and across the school to meet each other. They have an opportunity to express the behavior of their child at home to the teacher. The teacher gets to speak to the parents on performance of the child in school, his or her behavior, suggest areas of needs improvement and an healthy relation between the parents and teachers ensures speedy progress of the students.

Raksha Bhandhan was observed August 19. Our students recite the pledge everyday and are reminded to respect every Indian as their brother or sister.

Teachers Day Celebration also known as Shiksha Diwas was lead by the 5th standard students. They organized games for the teachers and gave speeches on Dr. Sharvepalli Radhakrishnan in all three languages.

We are delighted to share that our students actively participated in the October 26, Annual Social and Science Exhibition with great enthusiasm and creativity .They presented a wide range of innovative models displays across various subjects learning science, Social Science, Languages, Social awareness and rich cultural heritage in front of the Guest came from Department of education Dr.T R Dodde, Block Education officer. The exhibition served as wonderful platform for students to showcase their knowledge, critical thinking and presentation skills.

Kannade Rajyothsava was observed on November 1. We witnessed the entire program presented by each class in Kannada. Teachers and students spoke on the importance of the day. The campus was decorated in yellow and red.

On Childrens Day teachers conducted games for the students. One of the few days on which it is considered no school bag day and students came to school in coloured dress. They also had games and activities involving numbers, colours, shapes and alphabets.

Math Day was observed on December 21. Math teachers decided to teach students mathematics by involving them in various activities. Students had fun solving puzzles, making clocks and reading time. They also measured length, time, and volume. Sphygmomanometer was also used to measure the students blood pressure. It was a day of practical mathematics.

The most exciting moments for the students is field trip. We conduct both educational and recreational field trip. Primary students had an exciting and memorable day trip to Ramoji Film City. One of the world's largest film studio complex. The trip offered a perfect blend of entertainment learning and exploration. Also High school students. Our High school students study trip to Chikkamangalore, Belur, Halebedu and Coorg, Mullingar betta etc. Students explored rich heritage and stone carvings, also experienced serene beauty of coffee plantations. Learned local biodiversity and observed the regions agricultural. Mullanagiri Betta as the highest peak in Karnataka. Students enjoyed a short trek and witnessed the majestic view from the top.

Classes 8 to 10 visited the Horticulture collage in Bidar s part of experiential learning activity. The visit aimed to provide practical exposure to various aspects of agriculture and horticulture. Students learned about different types of plants, modern farming techniques, organic cultivation methods, greenhouse farming, and the importance of sustainable agriculture. They interacted with experts and gained valuable insights into the field of horticultural science.

On 21st December, Chief Guest to our Annual Sports Meet was Mr.Munaf , District Physical officer, Bidar Mr. Raghavnedra Bennur, Basketball Coach. The Event began with at grand march past by the students of all houses followed by hoisting of the school flag and the lighting of the torch. Every student took part in the Sports Meet conducted by Physical Education Teacher. There were individual events and also group events. The entire ground buzzed with encouragement and applause as participants gave their best in every event. The sports day was a grand success, leaving everyone with memories of teamwork,

I would like to thank our Managing Trustee Mr.Niranjan Sheelavant Sir for his relentless guidance and support in all the activities conducted in and out of the campus of The Infinity School. I also would like to thank the team of for their support and guidance. We are blessed to be a part of this trust.

Thank You
